Abbreviation	Explanation
PC	Program Coordinator initials (see list at end of chart)
Program	Program name: trade, occupation or skill set
ACA	<i>Apprenticeship and Certification Act, 1998</i>
TQAA	<i>Trades Qualification and Apprenticeship Act</i>
Code	Four-digit trade code
OTJ Duration	1) for apprentices, # of on the job training hours recommended for completion of program (ACA policy 309) 2) for non-apprentices Certificate of Qualification (C of Q) exam challengers: # of hours that must be proven in order to be eligible to write the certification exam (ACA policy 150) 3) DND (Department of National Defense): denotes DND equivalency - see DND appendix
NOC	National Occupation Code
R/U C/V	Restricted / Unrestricted Compulsory / Voluntary
Training Standard (Year) or Schedule	Year of development and, if applicable, projected year of revision in brackets
Curriculum (Year)	Year of development and breakdown of schooling segments (weeks [30h/w], unless otherwise indicated) and if applicable, projected year of revision in brackets
Exam (Year)	Year of implementation and, if applicable, projected year of revision in brackets. P=practical is available.
Red Seal	Interprovincial examination is Y
EARAT	Prior learning assessment tool is available: I=skills inventory; A=diagnostic assessment; M=academic skills manual; Fr=french version
Exemption Tests	Year of development and levels and, if applicable, projected year of new/revision in brackets
IC / PAC	Industry Committee (ACA) Provincial Advisory Committee (TQAA)
Program Summary	A Program Summary exists for this trade is Y
Reg. No.	A regulation exists for this trade and its regulation number
Wage Rate	Minimum percentage of a journeyperson's wages that must be paid to an apprentice, as set out in regulation
ATTC	Apprenticeship Training Tax Credit
Ratio	Maximum number of apprentices that can be employed based on the number of journeypersons, as set out in regulation
